The House Wine evolved from our desire to offer Cookoovaya guests the option of a high quality bottled wine. We participate actively in the production, from viticulture to the vinification. Gkirklemis Winery is located at Prosilia, Polydentrei village at Domokos plateau. At the 350 acres vineyard of excellent terroir, 12 different grape varieties are grown with respect to the environment and deep care.

The four labels of the house wine which were designed by Chris Trivizas Creative Studio won two Merits at EVGE (Greek graphic design and illustration awards) for logotype and packaging and a Merit Award at Hiiibrand (International design awards).

Branding and logo work for Cookoovaya House Wine were awarded a commendation at the Greek Graphic Design and Illustration awards EVGE in 2015.
